

Utah State Board of Education

SECONDARY ELA WEBINAR

Meaningful Writing Assignments in the ELA Classroom

NOVEMBER 13, 2024

04.00 PM – 05.00 PM MDT

We invite teachers to consider the range of writing assignments in their classrooms and how to design assignments that are meaningful to students while meeting the writing standards. Drawing on examples from our own classrooms, we will offer strategies for imagining new or reimaging existing assignments to give meaning to your students' writing experiences.
