

TRAINING WEBINAR: Scribe for Secondary Educators

The Scribe Team is hosting professional development for secondary teachers and librarians! This training webinar will introduce the Scribe platform and provide a deep dive demo of its features.

Scribe is the most advanced platform ever built to support students, teachers and librarians through the research and writing process. Here's a brief overview: https://youtu.be/sGK1DMfK1_c

Come learn how to use Scribe to enhance teaching, scaffold learning and foster research, writing and close reading skills in the classroom.

Tuesday, April 30, 3:45 - 5 pm MT

Register: bit.ly/utah4-30

scribe®

super app for research & writing

Scribe is a one-stop-shop workspace for students to curate, annotate, cite and write. A robust data dashboard gives educators real-time classroom and student level progress tracking analytics for assignments, enabling timely feedback and personalized instruction for the writing process!

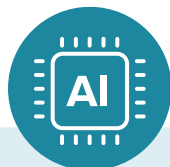

PARTNERS

UTAH HAS SCRIBBLE!

The Utah State Board of Education provides *Scribe Edu Pro* for all Utah K-12 public and charter schools.
